

**NON AMS WATER CONDITIONER, SURFACTANT,
DRIFT RETARDANT + VOLATILITY REDUCING AGENT**

PRINCIPAL FUNCTIONING AGENTS:

1,2,3-Propanetricarboxylic acid, 2-hydroxy-,trisodium salt, dehydrate, D-Glucopyranose, oligomeric, decyloctyl glycosides, and Monocarbamide dihydrogen sulfate	34.75%
Constituents ineffective as a Spray Adjuvant	65.25%
TOTAL	100%

All ingredients in this product are exempt from the requirements of a tolerance as specified under Title 40, Code of Federal Regulations 180.

DANGER:
CAUSES SERIOUS EYE DAMAGE.
CAUSES SKIN IRRITATION.

KEEP OUT OF REACH OF CHILDREN

GENERAL INFORMATION

CASTNET® is a water-conditioning agent/surfactant/drift retardant/volatility reducing agent with defoamer, that is formulated to enhance pesticidal performance. **CASTNET®** contains buffering and chelating agents which aid in maintaining the right pH in the tank mix solution and block hard water cations from interacting with the pesticide molecule. **CASTNET®** contains non-ionic surfactant to improve retention and wetting of pesticides. **CASTNET®** contains no ammonium sulfate (AMS).

DIRECTIONS FOR USE

Add 2 to 4 quarts of **CASTNET®** per 100 gallons of spray water (0.5 - 1.0% v/v) when used in place of ammonium sulfate. For general use as a drift reduction agent use 1 to 3 quarts of **CASTNET®** per 100 gallons of spray water (0.25 - 0.75% v/v). Prior to use, read and follow all directions on this label and on the label of the pesticide being used. The pesticide manufacturer's label for specific usages and restrictions have precedence over DIRECTIONS FOR USE referred to on this label.

MIXING

All spray mixing and application equipment must be thoroughly cleaned before pesticides are applied.

1. Fill spray tank half full of water and start agitation.
2. Add desired rate of **CASTNET®** to water before adding pesticides.
3. Add pesticides as directed by the label, while maintaining agitation.

STORAGE AND DISPOSAL INFORMATION

STORAGE: Store product in original container only. Do not allow other chemicals to be introduced into the container. Keep this container closed when not in use. **DISPOSAL:** Do not contaminate water, food, or feed by storage or disposal. Triple rinse container and pour rinsate into spray tank. Do not reuse container. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit www.acrcycle.org. Dispose of contents/container in accordance with local/national regulations.

WARRANTY: Seller warrants that this product conforms to the chemical description on the label thereof and is reasonably fit for purposes stated on such label only when used in accordance with the directions under normal use conditions. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of the seller.

PRECAUTIONARY STATEMENTS:

Causes eye irritation and mild skin irritation. May be harmful if swallowed or if in contact with skin. Do not get on skin, in eyes, or on clothing. Do not eat, drink, or smoke while using this product. Avoid breathing spray mist. Wash thoroughly with soap and water after handling and before eating, drinking, using tobacco or using the toilet. Take off contaminated clothing and wash before reuse. Read and understand the entire SAFETY DATA SHEET (SDS), DIRECTIONS FOR USE, and NOTICE OF WARRANTY before using this product. **FIRST AID: IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lens, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. **IF ON SKIN OR CLOTHING:** Call a POISON CENTER or doctor/physician/seek medical attention if you feel unwell. Take off contaminated clothing and wash it before reuse. Wash with plenty of soap and water. **IF SWALLOWED:** Call a POISON CENTER or doctor / physician / seek medical attention if you feel unwell. Rinse mouth. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. **IF INHALED:** Call a POISON CENTER/doctor/seek medical attention if you feel unwell. Remove person to fresh air and keep comfortable for breathing.
